

## **Alexandrina Business Network “Further Education Scholarships”**

### **Purpose**

The Alexandrina Business Network established this Scholarship Fund to encourage local students to embark on a journey of lifelong learning. Through this Scholarship Fund, the Alexandrina Business Network hopes to encourage students to aspire to be small business owners.

The Alexandrina Business Network is offering three scholarships for students currently in secondary school who wish to pursue further education or training at a university, TAFE or other registered training organisation (including apprenticeships /traineeships). The successful applicants will continue further education or training in a field which will enable them to develop and run their own business.

Three scholarships will be available:

1. \$3000 - applicants clearly demonstrate an educational / training pathway to the development and running of a small business
2. \$2000 – further training and / or education
3. \$1000 – further training and / or education

The scholarship will be awarded annually at a presentation function.
